

XTOOL X100 PAD 2 Renault Key Programming Feedback+ Car List

Though it's not 100% working for all Renault car models to add a new key using [XTOOL X100 PAD2 key programmer](#). For the car model that can be supported, X100 Pad2 (Pro) can read pin code and add a new key perfectly and fast. Check the related customer feedback and car list on Renault.

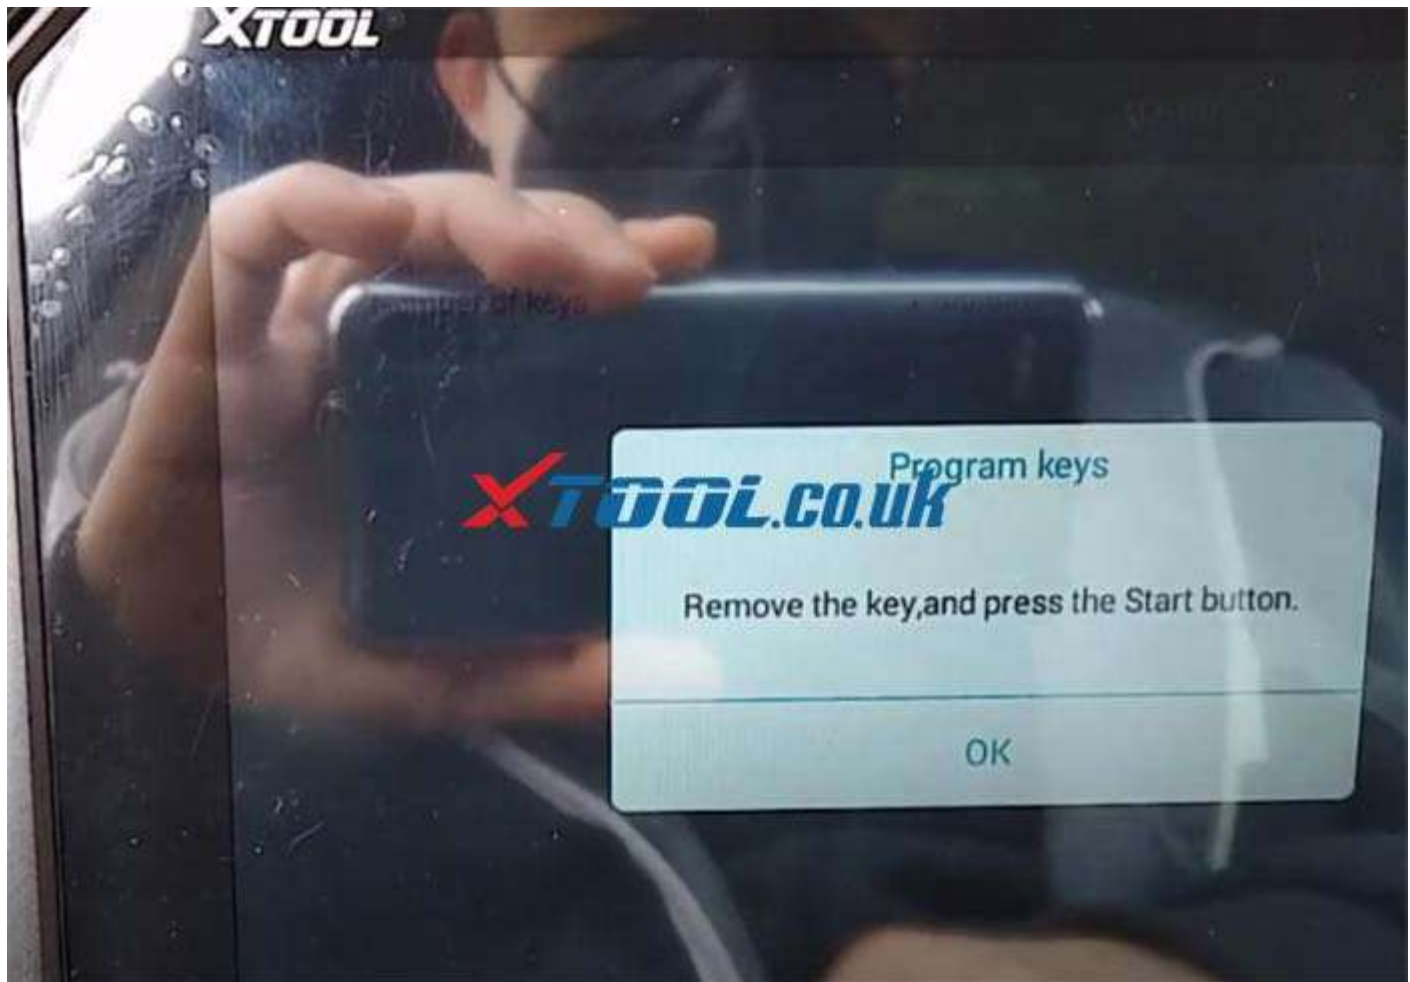

@peter šišmič:

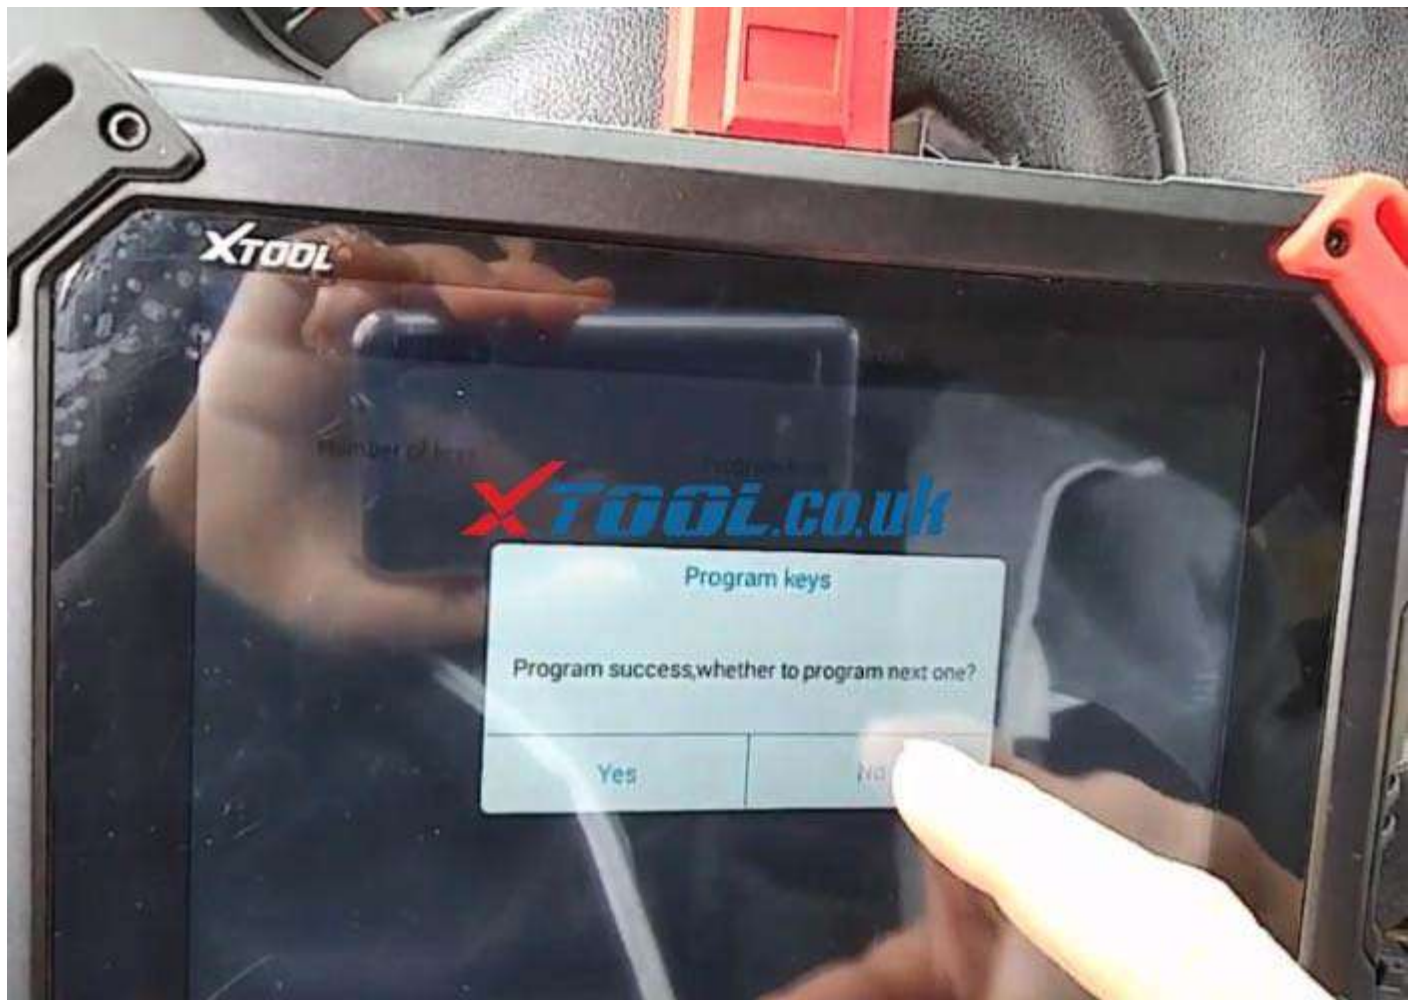

xtool x100pad2 add key card Renault megane 2006!

- 1.Connect x100 pad2 to the carRenault Key Programming
- 2.Select **"Renault"** -> **"Program Key"** -> **"Megane/Scenic"** -> **"03-06"**
- 3.Press the start button
- 4.Select "program keys"
- 5.Read out the Pin code
- 6.Remove the key and press the Start button
- 7.Insert new key
- 8.Program success

Other customer feedback:

Tested all Renault in menu, last update resolve all bugs, very good tool for French cars (including PSA)

Kangoo 2; key programming OK

Megane 2; card program OK

Twingo 2; key programming OK, remote control OK

Clio 3; key programming OK

Master 3; Key programming OK

2006 Renault Scenic 3 button card, Pulled pin in under a minute and programmed card in a minute. Pin automatic no need to type it in

Programmed under Renault Traffic 2 keys 2 minutes

Renault Meganas work for key card

megane/scenic (2006 check one more time) read pin code ok, add key card success.

Clio 3 remote key 7947: OK

Dacia Sandero Stepway 2012 program remote ok. You have to read pin first and it's the pin 2 the one that's needed for programming.PCF7946 (ID46) on the remote that i have used.

sandero 2014 (old version) add key okay,
sandero 2009, add key okay
kangoo 2011 add key okay,,
dacia sandero 2016 key and pin code okay
Clio 2 ph2 2005, auto pin and program 7946: OK
